CITY OF ELROY

CITY HALL/PUBLIC SAFETY BUILDING – REMODEL OR NEW??

OFFER INPUT AND HELP SHAPE THE FUTURE OF DOWNTOWN ELROY

The City of Elroy Common Council is hosting a public meeting at **6:00 p.m. on Tuesday July 12, 2016** in City Hall located at 225 Main Street regarding a tour of City Hall and an open public comment session on the future of the City Hall building.

The Common Council of the City of Elroy is considering either remodeling City Hall or pursuing a variety of options for a new building or buildings. One concept of a new City Hall building is to include Administration with the Police Department; offices for Electric, Water, Sewer; and potentially including Ambulance and Fire.

The City Hall / Police Department building has numerous issues that need to be addressed and we are also aware of issues with the Fire Station. Now is the time to make something happen and create a downtown civic space we can be proud of for generations to come.

Persons needing additional information or accommodations should contact Mark Steward, City Administrator at 608-462-2400.
